Artist: Grand Illusions You will loose track of time watching these pendulums etch geometric patterns in the sand! Just get the pendulum arm moving in a circular motion and watch the patterns develop. Gravity and the earth's rotation work together to create a fascinating overlay of geometric shapes. The Pit and Pendulum is available in two distinct designs; oak with gold-tone hardware, and slate-like resin with silver-tone hardware. Each design is available in two sizes; small and large. Size: 13"H x 5.5"W x 6.5"D
