

Friends Graphite Sculpture

\$14.95

Item URL: http://woodgalleryonline.com/graphitesculpture555_1.php

Friendship is considered one of the central human experiences, and has been sanctified by all major religions. Friends consists of two or more people who are in a mutually pleasing relationship engendering a sentiment of camaraderie, exclusivity and mutual trust. This wonderful graphite sculpture is a work of art as well as a playful writing instrument. Made from composites and pure graphite this sculpture can be used to write or draw on multiple mediums or collected and displayed as an art piece. Measures 4.5" by 2"
