If you like dolphins, seals, sea lions and other marine wildlife you are sure to enjoy this beautiful humpback whale lamp. Side table or decorative focal point in a room, this whale study lamp by Kelly Barker speaks to the "gentleness" of the Gentle Giant sea mammals. Barker captures a mother's gentle encouragement to step out beyond the safety of "home." This lamp features a hand-slumped glass shade, sports a wonderful blue patina and stands about 24" high. Limited edition; some specialty patinas and shade colors can be custom-ordered.
