What a perfect hostess gift! These wonderful tiles and baskets come with a beautiful and colorful napkin that will add that "extra special something" to your dinner table. The bread warming tile keeps breads, rolls and appetizers hot and delicious...at the table! This tile is handcrafted in South Beach, a small town on the Oregon Coast. Native Oregon foliage impressed on the clay surface make this tile an attractive addition to any kitchen or table. Specially formulated clay withstands heat or cold, allowing safe use in the oven, microwave, freezer and dishwasher.
